

# The Month That Was

Key updates and highlights from the [#KalaariFamily](#).

---

*November 2021*

**From 2021, Series A**

**We welcome Guardian Link, a recent addition to the Kalaari Family.**

**NFT's are poised to form the core of digital asset commerce in the metaverse based future. Guardian Link is a Blockchain company that offers a suite of products for making NFT commerce more accessible and efficient.**

**We are proud to partner with Keyur Patel, Ramkumar Subramaniam, Arjun Reddy, and Kamesh Elangovan in their journey.**

**From 2016, Series A**

**Excited to share that Curefit is now a unicorn.**

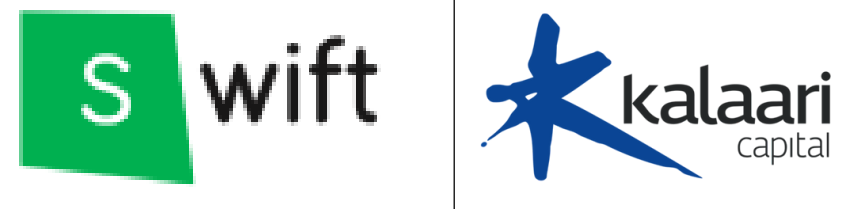

**Congratulations Mukesh Bansal & Ankit Nagori. We're privileged to have been early partners in your mission to redefine India's health and fitness ecosystem.**

**From 2015, Series A**

**The GoodGlamm Group became a unicorn with its latest Series D  
fundraise.**

**Congratulations Darpan Sanghvi, Priyanka Gill and the entire team. We're  
privileged to have been early partners in POPxo and now The Good Glamm  
Group, as you continue to realize your vision of building the leading  
beauty and personal care brand.**

**From 2021, Seed**

**Swift was featured in Inc42's 30 Startups To Watch in November 2021.**

**Congratulations Shyam Kalita, Debanshu Sinha, and Prayas Mittal. Proud to be early partners in your journey to shape the Ecommerce enablement ecosystem.**

**From 2021, Series A**

**Creative Galileo was featured in HolonIQ's annual list of the 100 most promising EdTech startups from India & South Asia.**

**Congratulations, Prerna A Jhunjhunwala and Nikhil Naik. We are glad to support you in achieving your vision of quality learning.**

**From 2021, Seed**

**Digantara was featured in YourStory's Tech50 2021 list of most promising Indian startups.**

**Congratulations Anirudh Sharma, Tanveer Ahmed, and Rahul Rawat. Proud to be early partners in your journey to building the worlds first space-based active surveillance mission.**

The logo for WINZO, featuring the word "WINZO" in a bold, yellow, sans-serif font. The letter "O" is stylized as a yellow circle with a white play button icon inside.

**#GameCon2021**

**Kalaari Capital & WinZO games recently conducted GameCon2021 - a platform aimed at being a window into the future of India's gaming ecosystem.**

**Here, we announced the launch of The Gaming Lab - an investment initiative jointly led by Kalaari Capital and WinZO Games to support the gaming ecosystem in India. We are looking to invest across all forms of interactive entertainment – games, economies around gaming, content creation, live-ops, and security.**
